Resource Guide

Register to become a library member to borrow books and access the library 24/7.

Complete the [online registration form](#) on the library's website. You can request [books](#) and [articles](#) from there also.

ClinicalKey*

ClinicalKey is a search tool designed to provide answers to clinical questions. It includes journals, books, practice guidelines, patient education, drug information and MEDLINE citations and abstracts. You will need an OpenAthens username and password to access its full content.

BMJ Best Practice

BMJ Best Practice draws on the latest evidence based research to offer step-by-step UK guidance on diagnosis, prognosis, treatment and prevention. It also features procedural videos, calculators, drug information and leaflets for patients. Click on the icon on the Trust Intranet homepage to access and set up your own personal account to access the resource remotely.

UpToDate®

UpToDate is a point of care tool which is available via the Trust Intranet homepage – click on the

link:

If you register your details from this link you can access UpToDate remotely.

Electronic journals and ebooks

There is a large number of E-Books and Journals available to you through ClinicalKey. For other journals and electronic books please visit [Discovery Search](#) or the [NICE A-Z Journal list](#)

You will need an OpenAthens account to be able to access full text versions of these resources.

[Register for an OpenAthens](#) username and password.

Services and Training

The library offers a comprehensive list of services and training opportunities. Contact library.office@dchft.nhs.uk for more information.
